

# Towards a more participative school

- Plan of actions to progressively
  - Increase your **participation**
  - Benefit from your **expertise**
  - Favour **exchanges** between yourselves
  - Provide **feedback**
  
- One component of the Plan
  - The “**Inverted school**”
  - **Prototyped** (small scale) for **THIS school**

# “Inverted CSC”

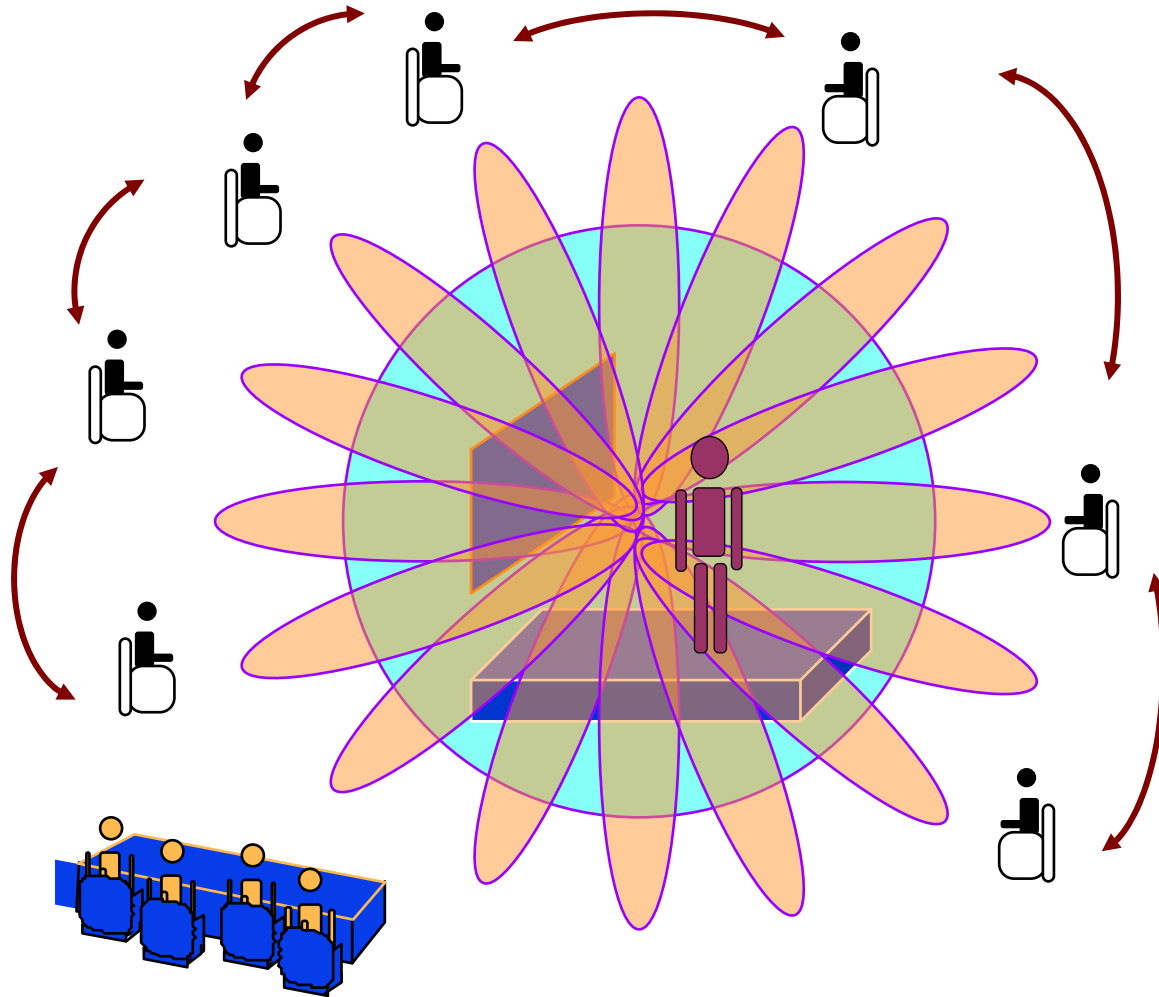

- An event that you are invited to join
  - at mid-term between two schools
  - at CERN
  - for 2 - 3 days

# “Inverted CSC”: To do what?

- **YOU** (some of) become the lecturers
- You **develop + present**
  - educational material
  - on a topic relevant to the School Programme

# Motivations

# Those interested ...

- Gather in **teams** (may be 2 to 3 teams this time)
  - Team Proposes a topical track
- **Collaborate** (at a distance) to develop content
  
- Deliverables: Education material + teaching
  - In **conventional** format
    - Lectures
    - Exercises (if technically feasible)
  - In **Innovative** format
    - Web-based courses, ...

# Topics: You May ...

- **Pick up topics** taught at CSC2004 and ...
  - Go one step further, expand, ...add your own experience
  - Improve lectures, exercises, ...
- Explain how you used the knowledge, what lessons you have drawn
- Suggest **new** related topics
  
- Programme
  - Finalised by a **Joint** Committee (Students + CSC Lecturers)

# Follow-up, rewarding

- CSC Lecturers will follow, evaluate your work / deliverables
- Participants may earn **CSC Certificate Level 2**
- Best student (s) may be invited
  - at CSC n+1
  - **as full lecturer (s)**

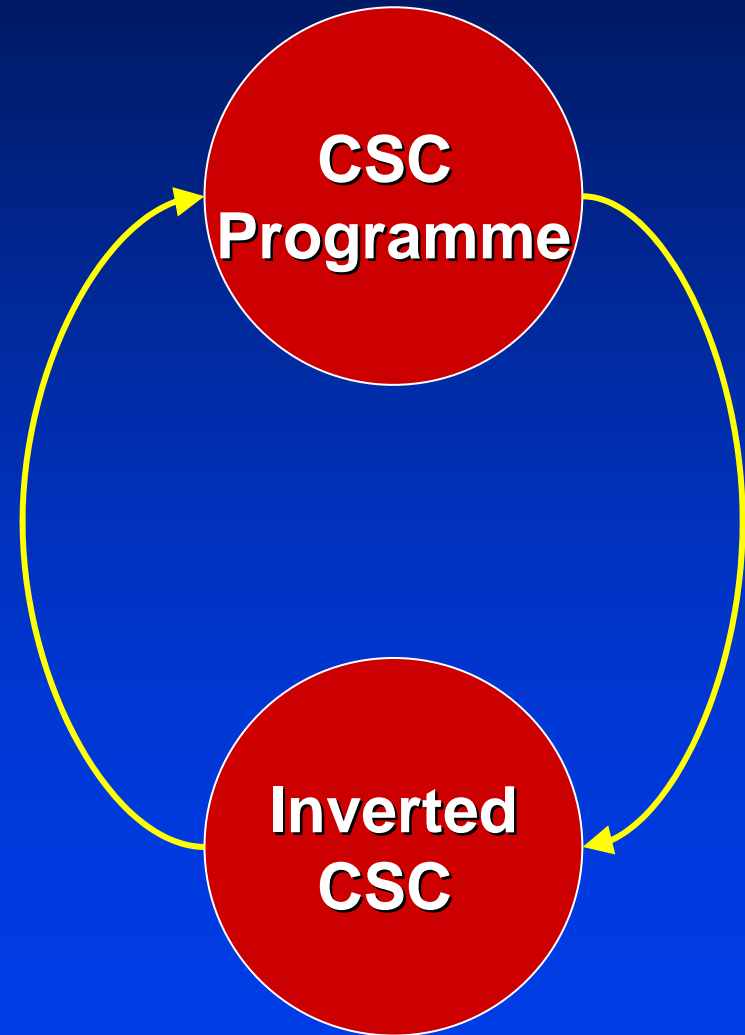

# Possible Format in 2005

- **Duration**
  - 2 ½ days
  - 15 hours available
- **Lectures open to anyone interested at CERN**
- **Teams**
  - 2 to 3 tracks
  - 4 – 7 students per track
- **Some (limited) EU support for travelling being explored**

# Expected Benefits

- Create a framework for you to **keep collaborating** after the school
  - One of your most frequent request
- Provide **feedback**, improvement
  - As part of the educational process

# What next

If interested ...

- Form teams here at the school
- Discuss ideas / topics
- Summit proposal by **15 October 2004**  
(details to come)
